

ANNOUNCEMENT!! ANNOUNCEMENT!! ANNOUNCEMENT!!

The **Sparrows Point Athletic Booster Club** is about to embark on an exciting fundraising endeavor that will bring a continuous, steady flow of income throughout the year. We are partnering with Market Day. For over 30 years Market Day has been providing convenient, restaurant-quality foods for families like yours.

How does Market Day work? With its extensive selection of high quality foods, Market Day makes planning easy. Each month Market Day offers 200 convenient and nutritious products at competitive prices, including poultry, meats, seafood, family meals, appetizers, breakfast items and desserts. Order sheets are distributed each month at participating schools. Customers can order online at their convenience at www.marketday.com, or complete an order sheet and return it to the school. Market Day delivers to the school once a month and families pick up their order on the designated date and time. A percentage of each customer's order is provided back to the school of their choice and these funds are used to pay for playground equipment, musical instruments, library books and more.

The main goal of this fundraiser for **SP ABC** is to provide income for a new Field House to be built on the grounds of the 1st Mariner Field at Sparrows Point. Our estimate is that we will need to raise \$20,000 to build the Field House. This is in addition to monies needed for uniforms, equipment, banquets, etc.

You don't need to have a student at the school to help with this worthwhile endeavor. As members of the community, you too can place an order at www.marketday.com. Simply go the web site, register as a new user with Account #22426 and place your order.

Either pay for your order on-line with a credit card or at the sale by cash or check made payable to Market Day when you pick up your order. You **MUST** include a home or cell phone number when you register for reminder phone calls or last minute pick up changes related to weather or some other emergency. **NO PAGER OR WORK NUMBERS WILL BE ACCEPTED.** Including your e-mail enables me to communicate with you easier.

Please make sure that you note the pick-up date and time. Pick up is always in the school cafeteria from 6:30-8:00pm, generally on the 1st Thursday of each month. This is always specified on the front page of their web site. You will receive by phone and e-mail reminders of the pick-up. ******IF YOU FAIL TO PICK UP YOUR ORDER, YOUR ITEMS WILL BE RETURNED TO THE WAREHOUSE AND YOU WILL BE REQUIRED TO PAY IN ADVANCE FOR ANY FUTURE ORDERS.** We have NO storage facilities at the school for this merchandise.

Should you have any questions regarding this fundraiser you may contact Cindy Willett 410-529-6016, 410-913-6381, or cindywillett@comcast.net.
